**Education is the premise
of progress, in every
society, in every family.**

- Kofi Annan: Former Secretary General of the United Nations.

Our Vision

Education for a better world for all.

Our Mission

Impacting lives through innovative education.

Principal's Message

**There is a need to raise
the skills base in the
workplace through the
pursuit of appropriate
qualifications from
a reputable and
accredited higher
education institution.**

For almost three decades, MANCOSA has consistently provided higher education that satisfies the needs of the 21st century. Besides gaining deep and far-ranging disciplinary knowledge in their areas of study, MANCOSA students develop valuable life skills and become confident, critical and independent thinkers with the ability to work independently and collaboratively.

In a world characterised by accelerating change and disruption, MANCOSA graduates are equipped with essential skills such as adaptability and digital literacy to advance their abilities to leverage change and innovate. These life skills enable graduates to deal effectively with complex challenges that arise in the world of work and life generally.

MANCOSA prides itself on its rich diversity, at both student and staff levels, and this trait is bolstered by professional and academic relationships with credible international institutions, including partner institutions under the formidable Honoris United Universities platform. Students get the benefit of programmes that are locally relevant within a rich global context.

Our academics use innovative and pedagogically sound approaches to lead students through the journey of academic exploration that strengthens their ability to apply theory to practice.

MANCOSA graduates leave the institution adequately prepared for civic responsibility and career mobility. Our vision is to provide quality education for a better world for all. Study with us, and together we can make this vision come true.

Welcome to MANCOSA. Welcome to the journey that will expand your horizon.

Professor Magnate Ntombela
Principal

Professor M. Ntombela

Introducing MANCOSA & Honoris United Universities

In 2017, MANCOSA became a proud member of Honoris United Universities which is the first Pan-African private higher education network committed to transforming lives through relevant education for lifetime success. Collaborative intelligence, cultural agility, and mobile mindsets and skills are at the heart of Honoris' vision of higher

education. Honoris United Universities joins the expertise of its member institutions to create pan-regional profile graduates who are competitive in today's fast-paced, demanding labour markets. Honoris United Universities gathers a community of 100,000+ students on 75 campuses, in 10 countries and 33 cities across Africa.

More than 490 degrees are offered in the fields of Architecture, Arts and Design, Business, Creative Arts, Education, Engineering, Fashion Design, Health Science, IT, Law, Media, Medicine, and Political Science.

MANCOSA is a private higher education institution committed to the provision of affordable, accessible, and accredited learning programmes.

MANCOSA is a leading provider of business and management education programmes on the African continent and the Indian ocean islands through supported distance education.

MANCOSA is renowned for academic excellence and cutting-edge insights in the delivery of education and training. The emphasis is on personal development from both professional and academic perspectives.

Our Objectives

- ➔ A strong emphasis is placed on the application of theory to practice ensuring that learning is applied to real life work situations.
- ➔ The emphasis is on personal development from both a professional and academic perspective.
- ➔ MANCOSA qualifications prepare students for a future filled with many challenges and exciting opportunities.

KEY FACTS

MANCOSA

A higher education initiative at international standards introduces the collaborative intelligence of African institutions for the first time in the region, thereby leveraging the knowledge and expertise of multiple communities and countries.

The MANCOSA Advantage

Academic Support

Learning Journey

MANCOSA utilises a blended teaching strategy, drawing on the value of independent learning through specially designed materials, limited face-to-face sessions as well as optimising your learning experience through a bespoke educational technology eco system.

This rich academic support model allows students to maximise their learning opportunities, whilst in full-time employment.

Learning does not need to be synchronous and students may access the MANCOSA learning management system online. This Learning Management System 'MANCOSACONNECT' is a user friendly, mobile supported platform which provides a student with library and academic resources, self-development activities, timetables and most importantly, hosts online webinar lectures.

Webinar lectures are recorded and are available for future reference.

Flexibility Experience

Studying through distance learning means minimal disruption to your personal life and full-time work schedule. MANCOSA programmes enable students to be flexible in approaching their studies. Should your work require extensive travel and extended working hours, the MANCOSA distance learning programmes are ideally suited to meet your specific needs.

Interactive Experience

A range of teaching methods as well as technological support is used, including webinars, online discussions, case studies, and self-study exercises, which aims to enhance the student learning experience. All of these assist in building skills and competencies which develop students' managerial capabilities.

Overall Experience

The MANCOSA programmes are designed and structured to stimulate you intellectually. The rigour of the programmes and the effort required to complete these successfully will ensure that you acquire the knowledge and abilities to face the challenges of the business world.

Academic Support

The MANCOSA academic faculty have industry experience and expertise to ensure that students receive continuous support and guidance. Full-time academics are appointed in the various support centres to provide face-to-face, telephonic and email support to students. Additionally, students will have access to online learning material, discussion forums and webinars.

Module Guides

Module guides include prescribed and recommended readings, practical assignments, activities and case studies. In addition, textbooks are prescribed to supplement these readings.

Access To You

Library and Electronic Resource Guides

MANCOSA has launched an Online Library Service on MANCOSACONNECT. The institution has partnered with some of the world’s renowned digital publishers to enable access to a range of electronic journal (e-journal) resources including full-text electronic books, databases, electronic news, reference resources and supplementary readings. The Online Library Services also provides prescribed and recommended e-textbooks for students and staff to access anytime, anywhere.

MANCOSA Student Services

Students are provided with comprehensive support on all aspects relating to their studies. The student portal MyMANCOSA or MANCOSACONNECT provides all registered students with a range of information and academic support.

Digital Transformation in the Business Environment Module

Are you one of those students who already have computer skills and would prefer to register for a more contemporary module aligned with 21st- century skills?

The Digital Transformation in the Business Environment Module will be offered as an elective to the End- User Computing (EUC) module in the Higher Certificate and Degree programmes.

This Digital Transformation in the Business Environment module is based on the concept of digitalisation and the massive impact it has on the technical and business challenges, as well as opportunities resulting from the rapid advancement of digital technologies.

Admission Requirements

Higher Certificate, Advanced Certificate, Advanced Diploma and Degree Programmes

The minimum admission requirement to enrol in a MANCOSA undergraduate programme is a National Senior Certificate with appropriate subject combinations and endorsement.

The minimum entry requirement for an Advanced Certificate is a Higher Certificate consisting of 120 credits or more. The minimum requirement for an Advanced Diploma is a National Diploma (NQF level 6) or an Advanced Certificate (NQF level 6).

Higher Certificate in Marketing

Programme Description

The Higher Certificate in Marketing aims to provide students with the framework for understanding the dynamics of marketing which is a major operating function of any business organisation. Equipped with the core marketing principles and concepts, students of this programme will have greater opportunities to compete and succeed in their future marketing careers. This programme provides the foundational building blocks of understanding

marketing. It is neither too narrow nor limited to retail marketing or sales management. This qualification will equip students with a fairly broad-based knowledge of the world of business. They will be able to think across different disciplines, as companies are confronted with a continuous process of developing and maintaining a feasible fit between organisations' objectives, skills and resources and their changing marketing opportunities.

Bachelor of Commerce in International Business

Programme Description

As the global business and economic environment continually evolves, studying business from an international perspective is vital for graduates ambitious to work across international boundaries and cultures. This programme will prepare and equip graduates with the knowledge and skills to understand the link between political, economic, sociocultural, and environmental factors that impact multinational organisations. The Bachelor of Commerce

in International Business degree will enable students to gain a broader and more in-depth understanding of the role and importance of governments in a global context. The programme facilitates a sound grounding in the fundamental business theories, methodologies and practices. A balance of theoretical and practical aspects of international business is also provided.

▶ NQF LEVEL 7 | SAQA ID 104526 | CREDITS 360

Admission Requirements

- The minimum entry requirement is the National Senior Certificate or National Certificate Vocational with appropriate subject combinations and levels of achievement; or
